Addendum 4

November 29, 2012

PON-12-503

GRANT SOLICITATION APPLICATION PACKAGE

Building Energy Efficiency Research and Technology Grant Program

The purpose of this addendum is to:

1. Revise the PON solicitation manual, page 6 of 28, to provide clarity on the eligibility requirements related to prime contractors as a result of information provided in the Questions & Answers document. The PON solicitation manual is revised and attached.
2. Add a supplement to the Questions and Answers document to ensure questions that were submitted by the deadline are included in the Questions and Answers process.
